APPLYING FOR AAFP CONTINUING EDUCATION CREDITS

On behalf of the Board of Directors of the Northeast Association of Equine Practitioners we are happy to announce that the following speakers have been confirmed for the Annual Symposium From Our Practice to Yours scheduled for September 20th to 23rd 2017 in Norfolk, Virginia.

Registration for the 2017 Symposium will be available June 1st.

Lameness Speakers

The NEAEP is proud to present a Lameness Program this year featuring internationally renowned speakers focusing on modern principles in diagnosing and imaging relevant clinical issues in the neck and back in the sport horse. Attendees will also experience in depth discussion and clinical case presentation including diagnosis and rehabilitation of these clinical conditions. Along with these topics the program will feature lead researchers and instructors in regenerative therapies and their application and use in ambulatory and hospitalized cases.

Dr. Jose M Garcia-Lopez

Dr. Sarah Puchalski

Dr. Rich Redding

Dr. Kathryn (Katie) A. Seabaugh

Dr. Kurt Selberg

Dr. Lauren V. Schnabel

Please click here for the biographies of our Lameness Speakers

Podiatry Speakers

The NEAEP is proud to present a Podiatry Program this year that features world renowned representatives of the farriery industry. Participants in the podiatry program can expect compelling lectures and interactive round table discussions with our distinguished speakers on topics that are relevant and useful to anyone in the farrier industry. This year's program offers a rare opportunity for participants to refresh their knowledge of the foundations of good farrier practices from our iconic teachers as well as exposure to the latest and most innovative philosophies of shoeing, bio-mechanics and physiology.

Dr. Doug Butler Ph.D, CJF, FWCF

Miss. Jennifer Horn CJF, APF

Dr. Mike Miller MD, CJF, FWCF

Mr. Mike T. Savoldi

Mr. John Soto APF

Mr. Terry Stever & Mr. George Fitzgerald

Please click [here](#) for the biographies of our Podiatry Speakers

Internal Medicine & Reproduction Speakers

high-impact diseases of horses, including lectures specific to high level sports medicine practice, metabolic diseases and gastric ulcers. In addition, they will receive the most up to date information in the medicine of draft horses, management of horses in rescue and disaster situations, and a whole farm approach to the veterinary management of equine breeding establishments.

Dr. Frank Andrews

Dr. Amy Burke

Dr. Clare Card

Dr. Rebecca Jimenez

Dr. Melissa Mazan

Dr. Melissa Restifo

Dr. Emmanuelle Van Erk

Dr. Julie Wilson
