info@americanfarriers.com
Join Lessiter Media for the 22nd annual event at the Sheraton Kansas City Hotel at Crown Center in Kansas City, Mo., from January 21-24, 2025. This event promises focused learning opportunities that can transform your practice forever. Find more information at International Hoof-Care Summit Homepage
- January 25, 2025
- Equine Skeletal Anatomy and Physiology (8 CE)**
508 Thomas Rd.
Bristol, Te 37620
09:00 AM - 05:00 PM EST
Lorie Fleenor, (423) 956-9386
bdfandltf@gmail.com
There will be an extensive slide show presentation and many skeletons with normal and abnormal presentation. We will look at many bones including the hyoid apparatus and pedal bones, and dive into how the horse is put together. We will learn how things should work and what happens when things go wrong. We will cover ECVM, arthritis, fractures, asymmetry, and more. Most of the skeletal specimens have a story and some have video and pictures to help tell the story of the horse under examination.
- January 26, 2025
- Sustaining Your Hoof Care Business (1.5 CE)**

This Podiatry clinic will include both lectures and hands on work with assessing biomechanics, hoof balance, body compensations, and therapeutic hoofcare options. The morning will consist of lectures from the clinicians, while the afternoon we will break into small groups to learn individually with the clinicians through demos and hands on work. Participants will be broken into small groups and rotate through hands on demos with the 3 clinicians throughout the weekend. To register, see thehumblehoof.com/product/clinic
